Amayra SkyCity is one such place. Where the kids can run free and where laughter fills every space and new memories fill every corner. Amayra SkyCity offers you a chance to indulge your athletic side with courts for every sport. Enjoy the open-air as you challenge your neighbour to a match up. Or as you teach your kids the basics. WHERE THE POSH AND THE PERSONAL MEET UNFORGETTABLE

ENJOY THE WARMTH AND COMFORT OF LUXURIOUS SPACES

Personal spaces are important in today's world, so privacy is built into the very design of the towers. None of the residences within the building face each other; they face outwards in a unique fan-shaped design. Not only that, the entrance to each residence is planned in such a way that they are not directly visible once one gets off from the elevators. These thoughtful touches ensure that all the residents can enjoy their own private world.
